

I'm proud of who
you're becoming.

It's okay to make
mistakes — you're
still learning.

You are loved
no matter what.

You don't have to
have it all
figured out.

You can always
talk to me —
I'm here for you.

You are enough,
just as you are.

It's brave to
speak up and
set boundaries.

I believe in you,
even when
it's hard.

You matter
more than you
know.

There is nothing
you could do
to lose my love.
